LEGISLATOR STEVE STERN LEADS VOLUNTEERS IN SUPER BOWL FOOD DRIVE

Community members collect more than 800 pounds of food for Island Harvest and Pronto.

Local students and community members take part in Legislator Stern's fifth annual Super Bowl Food Drive.

HUNTINGTON, N.Y. - Suffolk County Legislator Steve Stern (D-Huntington), 16th L.D., partnered with student volunteers for a Super Bowl food drive at the East Northport and Dix Hills Stop & Shop locations to benefit Pronto, a community organization serving the Brentwood community.

The drive, coordinated with Island Harvest, an organization that collects surplus food and donations to supply area food pantries, netted more than 800 pounds of non-perishable food items and cash donations to aid needy families.

"During these challenging times, it is important to join together to help those in need in our community," Legislator Stern said. "I thank Island Harvest, Stop & Shop, the many members of the community who donated food and these fine young people, who have given their time to help their neighbors. Their generosity is greatly appreciated."
